

7.2 Sustained Investigation: Images and Written Evidence

Name: _____ Class: _____ Date: _____

Total: 11 marks

KEY WORDS written evidence 书面证据 • citation 引用 • materials 材料 • processes 过程 • portfolio 作品集

Objective

Pair 15 images with short **written evidence** 书面证据 that agrees with them.

You must be able to:

- let images show and writing state
- caption materials, processes, and dimensions
- include process images among the 15
- order the images as a narrative

1 Worked examples

Study these first. Each one shows the method for a task used later.

■ Show and state

The images show; the writing states the inquiry and how it developed (~1,200 characters).

■ Captions

Every image carries materials, processes, dimensions, and citations where needed.

■ Order as a story

Scorers read the 15 as a sequence — order them so the growth reads.

2 Practice

2.1 Process images (journal spreads, in-progress shots) [1]

- **A** are not allowed
 - **B** count among the 15 SI images
 - **C** must be exactly five
 - **D** replace the writing
-

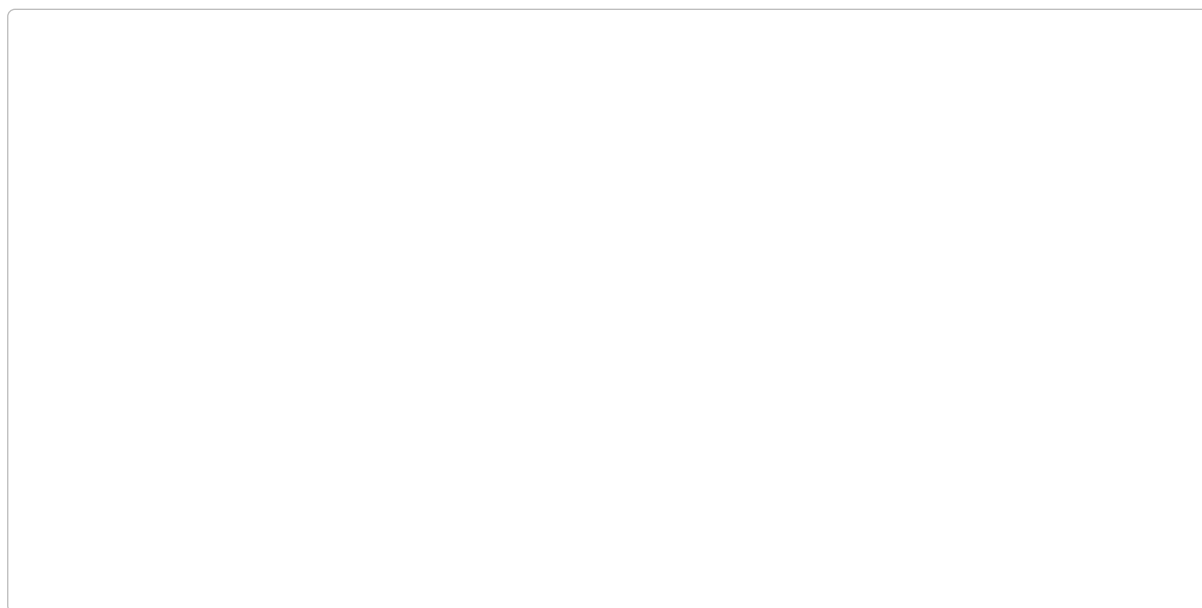

2.2 Why does the order of the 15 images matter? [2]

2.3 What two things must the SI written evidence do? [1]

3 Studio & portfolio tasks

3.1 Sequence a **15-image plan** for one investigation.

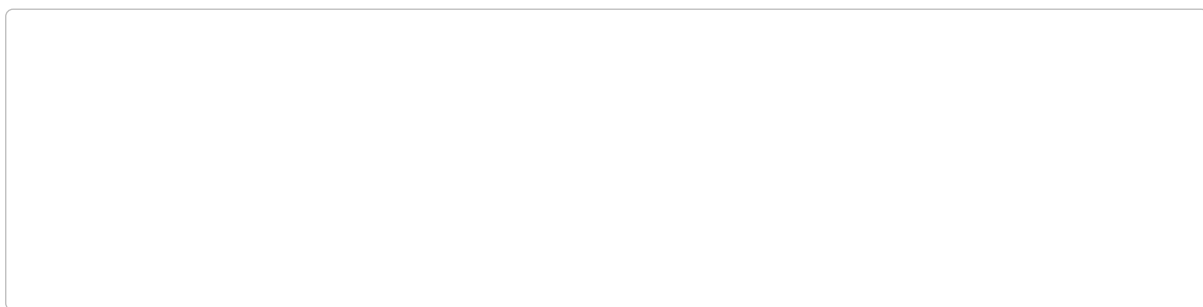

- (a) Sketch thumbnails for 15 images and number them in reading order. [4]
- (b) Mark which are process images. [1]

3.2

() Draft one image caption: materials, processes, and dimensions.

[2]

Solutions

2.1 B. they are legitimate SI images.

2.2 scorers read them as a sequence; ordering them to show growth makes the development readable.

2.3 state the inquiry, and describe how the investigation developed.

3.1 15 numbered thumbnails; the order shows growth from question to answer; several process images included; a readable narrative arc.

3.2 all three fields present; concrete and specific, not vague.
