

6 Industrialisation: why Britain, and what changed – Part 1 — Answers

Answers

Work through these after you have tried the questions yourself.

2.1 any four of: coal and iron; capital; transport; secure property; a labour force.

2.2 where work happened; what a worker did; who set the hours.

2.3 splitting production into separate tasks each performed by a different worker.

2.4 any three of: pollution; poor housing; disease; inadequate infrastructure.

2.5 housing, water and sanitation take time to build, and a city doubling in decades outruns them. \
