

9 The 21st century and the questions still open – Part 2 — Answers

Answers

Work through these after you have tried the questions yourself.

2.1 it sought to improve security within the United States; it raised questions about the protection of civil liberties and human rights.

2.2 any two of: World War I restrictions on freedom of speech; the Red Scare; the internment of Japanese Americans.

2.3 Latin America and Asia; the immigrants affected U.S. culture in many ways and supplied an important labour force.

2.4 it continued as the world's leading superpower in the 21st century.

2.5 representation and economic weight follow population, and each year's movement is small. \
